Helping the Sisters of Life

The Knights of Columbus from throughout New York State, with the full support of our State Deputy Arthur Harris, are requested to *help the Sisters of Life* - please note the correspondence from Sr. Madelene which lists the type of items that they need.

We are respectfully requesting that our membership consider making a contribution to the Sisters of Life.

We request that items are given to our District Deputies and that the

District Deputies bring these kind donations with them to our mid year meeting.

We will have an area at that meeting where these items can be dropped off .

Thank you in advance for the Charity that you exercise each and every day!

Some of the items on the list;
